

PETROMAR 65

DESCRIPTION

PETROMAR 65 is a low-detergent system oil commonly used as crosshead engine crankcase oil and in low and intermediate speed engines running under mild service conditions.

APPLICATION

- Crosshead engine crankcase marine lubricant

GRADE

- SAE 30

AVAILABLE PACKAGES

- 200-liter drums
- 18-liter pails

TYPICAL CHARACTERISTICS

Specific Gravity at 15.6°C	0.8912
Flash Point, COC, °C	248
Color, ASTM	3.0
Viscosity at 40°C, cSt	105.08
Viscosity at 100°C, cSt	11.64
Viscosity Index	98
Pour Point, °C	-9
TBN (mg KOH/g)	5.4
